

Highway Sign Recognition Study Sheet Missouri Department of Revenue

Stop Sign You must wait until crossing vehicles and pedestrians have cleared. You must stop at the stop line if one is present even if it is located past the stop sign.

No Right Turn

Yield Sign A yield sign is triangular. It is red and white with red letters. It means you must slow down and yield the right-of-way to traffic in the intersection you are crossingor roadway you are entering.

No U-Turn

Do Not Enter Sign When you see this sign at roadway openings, do not enter this road.

No Trucks

School Crossing Slow down. Watch for children crossing the road. NOTE: This sign is being transitioned to neon green. This transisition will take effect within the next 10 years.

Railroad Crossing The advance warning sign tells you that you are nearing a railroad crossing. Be prepared to stop.

Curve Sign A curve sign is used to warn of a curve where the recommended speed is less than the posted speed limit for the highway.

Slippery When Wet The road ahead becomes unusually slippery in wet weather. Drive carefully in these conditions.

Merge Traffic from another road may be entering the road you are on. Be prepared for vehicles to move into your lane.

Signal Ahead There is a traffic light signal ahead on the road you are on. Be ready to stop.

Added Lane Traffic from another road will be entering the road you are on. No merging is necessary because a lane has been added.

Intersection Another road crosses the road you are on. Watch carefully for traffic crossing your path.

Begin Divided Roadway The road will soon become two-way traffic divided by a median or barrier.
